

Construction Notice

SAINT PAUL DOWNTOWN AIRPORT (HOLMAN FIELD)

2020 AIRPORT ACCESS ROAD PROJECT

Project Background

The Saint Paul Downtown Airport will be completing a pavement rehabilitation project on portions of Airport Road, Bayfield Street, and Eaton Street this summer. The project will include milling the top layer of the existing roadway and placing new bituminous pavement. A pedestrian sidewalk will be installed along the south side of Bayfield Street between Airport Road and the MAC Admin Building.

Replacement of storm sewer near St. Paul Flight Center will also be included.

SCHEDULE

Project is scheduled to occur from June 1–June 27, 2020.

Contractor:
Northwest Asphalt, Inc.

CONSTRUCTION IMPACT

There will be no impact to airport operations during construction.

There will be occasional lane closures on Airport Road, Eaton Street, and Bayfield Street, watch for signage.

There will be increased construction traffic on adjacent roadways.
