*The Eagan Airport Relations Commission (ARC) is an advisory body to the Eagan City Council on issues of aircraft noise and airport policies that may impact Eagan. For this meeting, the ARC developed the below list of questions for the panel. Following the panel responses, the floor will be opened to audience questions for the panelists.

1. Will you speak to the increase this summer in aircraft operations over Eagan?
2. Please speak to the 2.5 mile turn point in Burnsville. Why is there not a similar turn procedure for eastbound turns over Eagan?
3. Do any communities around the airport have any agreements with the MAC or FAA that speak to aircraft operations?
4. What impact has Converging Runway Operations (CRO) had on departures and arrivals on Runway 17/35?
5. Will you speak to changes in fleet composition amongst the carriers?
