## CRYSTAL AIRPORT - 2023 LED EDGE LIGHTING UPGRADE

### Project Background

The Crystal Airport will be completing a LED Edge Lighting Upgrade project in 2023. The project will consist of installing new taxiway edge lights along Taxiway A, from Thunderbird Aviation to Taxiway D. New wiring installed in conduit, taxiway edge light installation and electrical vault modifications are all a part of this project.

### Schedule

Project is scheduled to begin August 14th.

Contractor:  
NEO Electrical Solutions

### Construction Impact

- **Phase 1a: Limited to 6 Working Days**  
Taxiway A between Thunderbird and Taxiway F
- **Phase 1b: Limited to 6 Working Days**  
Taxiway A between Taxiway F and Taxiway G
- **Phase 2: Limited to 10 Working Days**  
Taxiway A between Runway 14-32 RSA and Taxiway D
