**NOTICE OF EAW AVAILABILITY & PUBLIC HEARING**

**MINNEAPOLIS-ST. PAUL INTERNATIONAL AIRPORT (MSP)  
ENVIRONMENTAL ASSESSMENT WORKSHEET FOR  
TERMINAL 1 – 2023 CONCOURSE G INFILL – Pod 2-3**

Notice is hereby given that on the 3rd day of October 2022 at 10:30 A.M. in MSP Terminal 1 Room LT-3048A, the Metropolitan Airports Commission (MAC) will hold a public hearing at its regularly scheduled Planning, Development & Environment Committee meeting to receive testimony relative to the Environmental Assessment Worksheet (EAW) prepared for proposed improvements at MSP. The MSP Terminal 1 - 2023 Concourse G Infill – Pod 2-3 Project includes expansion of the terminal building footprint and renovation of space within the terminal at the ground, main, and upper levels. The project will enhance the customer experience in Concourse G.

Agencies listed on the current Minnesota EQB distribution list have been notified regarding availability of the electronic EAW document on the Metropolitan Airports Commission (MAC) website at <https://metroairports.org/environment-assessments-and-environmental-assessment-worksheets>. Hard copies are available upon request.

Written comments will be accepted until October 27, 2022. Written comments can be submitted via email to [shona.mosites@mspm.com](mailto:shona.mosites@mspm.com), submitted in-person at the public hearing, or mailed to:
